

Program	Presenter	Faculty/Trainee/Staff	Session Type	Session Title	Abstract or Talk Title
Neonatology	Alnajjar, Mohammed	Research Staff	Oral Poster Symposia	Neonatal Infectious Diseases/Immunology 3	Risk Factors and Prescribing Practices Among Preterm Infants with Urosepsis
Neonatology	Campbell, Douglas	Faculty	Oral Poster Symposia	Neonatal Infectious Diseases/Immunology 3	"What are my options?": The lived experiences of WLHIV and their infant feeding journey
Neonatology	Campbell, Douglas	Faculty	Oral Poster Symposia	Neonatology Pulmonology Clinical Science 3 - Oxidants/anti-oxidants, Lung Protection and It's Technical	Feasibility of Applying Synchronized and Proportional Negative Pressure Ventilation in Preterm Infants with Respiratory Distress (NeoVest)
Neonatology	Cizmeci, Mehmet	Faculty	Oral Poster Symposia	Neonatal Neurology 2: Clinical	Individualized Neuroprognostication in Neonates with Hypoxic-Ischemic Encephalopathy by Combining Clinical Factors, Neurophysiology, and Neuroimaging
Neonatology	Ghanem, Mohab	Clinical Fellow	Oral Poster Symposia	Neonatology	Correlation between Lung Ultrasound Score and Early Weight Change in preterm infants for the prediction of Bronchopulmonary Dysplasia
Neonatology	Isayama, Tetsuya	Research Staff	Oral Poster Symposia	Neo-Perinatal Health Care Delivery 4: Epidemiology/Health Services Research	Outcomes of infants born at 22-23 weeks gestation in 11 neonatal networks from iNeo
Neonatology	Jain, Amish	Faculty	Oral Abstract	Neonatal Cardiology and Pulmonary Hypertension 2: Imaging, Blood Pressure, and Basic Science	Early echocardiographic identification of chronic pulmonary hypertension in extremely low birth weight infants: A multicenter prospective observational cohort study
Neonatology	Jain, Amish	Faculty	Pre-Conference Program	PAS Postgraduate Course: Towards Enhanced Neonatal Hemodynamic Care in the NICU	Characterization of Chronic Pulmonary Hypertension
Neonatology	Jegathesan, Thivia	Research Staff	Oral Poster Symposia	Neonatal Hematology & Bilirubin Metabolism	Phototherapy and cancer risk in childhood and young adulthood: a systematic review and meta-analysis
Neonatology	Jegathesan, Thivia	Research Staff	Oral Poster Symposia	Newborn Care	Primary care access for urban newborns
Neonatology	Kashkari, Haifaa	Clinical Fellow	Oral Abstract	Neonatal General 1: Cardiopulmonary	Umbilical cord management in preterm infants born by cesarean delivery
Neonatology	Kharrat, Ashraf	Faculty	Club	Neonatal Hemodynamics Club	Physiologically Guided Care of the Neonate with Septic Shock
Neonatology	Ladele, Jejelola	Faculty	Oral Poster Symposia	Neonatal Cardiology and Pulmonary hypertension	Clinical impact of achieving shunt elimination following primary medical therapy for patient ductus arteriosus in extremely low gestational age neonates
Neonatology	Lewis, Tamorah	Faculty	Hot Topic Symposia	Impact of Diversity on Pediatric Pharmacogenetics: Implications for Research and Clinical Implementation	Case studies in how lack of diverse representation in pharmacogenetic variant panels can impact test results
Neonatology	Lewis, Tamorah	Faculty	Oral Abstract	Pediatric Therapeutics and Pharmacology	Pharmacokinetic Model-Guided Enoxaparin Dosing in the NICU: Retrospective Analysis to Plan for Prospective Feasibility Trial
Neonatology	Lewis, Tamorah	Faculty	State of the Art Plenary	Beyond mg/kg: A Paradigm Shift in Drug Dosing – Pharmacokinetic Model-Informed Precision Dosing (MIPD) to Improve Outcomes	Beyond mg/kg: A Paradigm Shift in Drug Dosing – Pharmacokinetic Model-Informed Precision Dosing (MIPD) to Improve Outcomes
Neonatology	Lo, Emily	Clinical Fellow	Club	Neonatal Quality Improvement 2	Increasing Enteral Feeding During Therapeutic Hypothermia for Hypoxic-Ischemic Encephalopathy: An Evaluation of Sustainability
Neonatology	Lo, Emily	Clinical Fellow	Oral Abstract	Neonatal Infectious Diseases/Immunology 2	Association of cytomegalovirus infection in preterm infants and neonatal outcomes
Neonatology	Mohamed, Adel	Faculty	Oral Poster Symposia	APA Health Policy Scholars Program - By Invite Only	A Systematic Review and Meta-analysis Comparing Ultrasound versus Radiology in reducing the incidence of Central Catheter related complications in Neonates
Neonatology	Mohamed, Adel	Faculty	Oral Poster Symposia	Workshop	The association between Laryngoscopic attempts and Risk for Severe Intraventricular Hemorrhage in Preterm Infants born at < 29 weeks—A Retrospective Cohort Study
Neonatology	Mohamed, Adel	Faculty	Oral Poster Symposia	Research Meeting/Reception	Neonatal Pulmonology - Clinical Science 2: Lung Imaging, Lung Function
Neonatology	Mohamed, Adel	Faculty	Oral Poster Symposia	Neonatal Pulmonology - Clinical Science 2: Lung Imaging, Lung Function	Current Practice and Barriers to Implementation of Point of Care Lung Ultrasound: A Survey of Canadian Neonatal Intensive Care Units
Neonatology	Mukerji, Amit	Research Staff	Oral Abstract	Neonatal Pulmonology - Clinical Science 2: Predicting the Future	Severity of bronchopulmonary dysplasia using a Canadian definition and early childhood outcomes: A population-based cohort study
Neonatology	Muldoon, Meghan	Faculty	Oral Abstract	Neonatal General 1: Cardiopulmonary	Automated Identification of PDA Shunt Using Convolutional Neural Networks
Neonatology	Nagpal, Rema	Research Staff	Oral Poster Symposia	Neonatal Quality Improvement 2	The Impact of a Standardized Monitoring and Management Algorithm on Care Practices for Late-Onset Sepsis and Septic Shock in the Neonatal Intensive Care Unit
Neonatology	O'Connor, Deborah	Research Staff	Hot Topic Symposia	Updates on human milk analysis for nutrient content: what clinicians need to know	Gold standards for human milk analysis
Neonatology	Raghuram, Kamini	Faculty	Oral Poster Symposia	Neonatal Follow-up 1	Parent Perspectives and Child Outcomes with Virtual Care in Neonatal Neurodevelopmental Follow-up Clinic: A Mixed Methods Study
Neonatology	Savio, Federica	Clinical Fellow	Oral Abstract	Neonatal Follow-up 1	Cardiac mechanics evaluation in preschool age children with preterm birth history: a speckle tracking and 4D echocardiography study
Neonatology	Ting, Joseph	Research Staff	Oral Poster Symposia	Neonatal Pulmonology - Clinical Science 2: Predicting the Future	Epidemiology and Outcomes of Multidrug-Resistant sepsis in the Neonatal Intensive Care Unit: A National Cohort Study
Neonatology	Ungar, Sharon	Faculty	Club	Milk Club: Optimizing human milk delivery to the most vulnerable infants	Optimizing human milk in the NICU: Best practices in human milk fortification
Neonatology	Ungar, Sharon	Faculty	Hot Topic Symposia	Updates on human milk analysis for nutrient content: what clinicians need to know	Variability of human milk: so what? (Why clinicians need to know about human milk analysis)
Neonatology	Zhu, Faith	Faculty	Hot Topic Symposia	Nitric Oxide Resistant Acute Pulmonary Hypertension in Neonates	Cases and Discussion
Neonatology	Zhu, Faith	Faculty	Oral Abstract	Neonatal Cardiology and Pulmonary Hypertension 1: Shunts	The Role of Persistent Fetal Shunts as Risk Factor for Chronic Pulmonary Hypertension in Extremely Low Birth Weight Infants
